Blue Grass Airport Regional ARFF Training Center

ARFF 502: RESPONSE TO ROTORCRAFT ACCIDENTS

THANK YOU for registering to attend the ARFF 502: Response to Rotorcraft Accidents at the Blue Grass Airport Regional ARFF Training Center. Please see below for important information pertaining to your training. Class begins promptly at 8:00 am (Eastern Standard Time). If you have any questions before your arrival, please contact our Training Center staff at 859.425.3122 or ARFFTraining@bluegrassairport.com.

AGENCY RELEASE

Attached please find an agency release to be completed by your chief or training officer. This form may be emailed to us at ARFFTraining@bluegrassairport.com or returned on your first day of class. **This form is required prior to the start of onsite training activities.**

WHAT TO BRING

Those wishing to participate in the hands-on training portion of the class should provide the following equipment: Bunker coat/pants, fire gloves, fire boots (leather or rubber) and fire helmet. If you have any questions, please contact the Training Center for more details.

DIRECTIONS

The Regional ARFF Training Center is situated adjacent to Blue Grass Airport (LEX) in the heart of central Kentucky's scenic Bluegrass region. The physical address is 4832 Versailles Rd, Lexington, KY 40510. The Training Center is easily accessible via multiple airlines as well as Interstates 64 and 75. For directions, [click here](#).

HOTEL ACCOMMODATIONS

Special rates are available for hotels in close proximity to the Training Center and nearby restaurants. [Click here](#) for a list of recommended hotels.

PHOTOGRAPHY RELEASE

Participants in this class grant the Lexington-Fayette Urban County Airport Board the right to use photographs or video images for use in connection with Blue Grass Airport promotions or publicity. If you prefer not to be photographed, please let your instructor know at the beginning of class.
