

Get Involved with Your Local Airport

Blue Grass Airport Emergency Training Exercise

Looking to volunteer for a day and experience life at an airport?

Every three years, commercial service airports are required to conduct an emergency training exercise. Play the role of a "passenger" to assist local emergency personnel in a full-scale response! This is a perfect volunteer activity for community groups, scout troops, aviation enthusiasts or those interested in learning more about emergency preparedness in our community.

Tuesday, April 11, 2017

11:00 am – 4:00 pm (approximate times, depending on role)

Blue Grass Airport: West General Aviation Campus

RSVPs are required. For more information, contact:

Blue Grass Airport
Integrated Operations and Coordination Center
Phone: 859.425.3112
Email: EmergencyExercise@bluegrassairport.com

Complimentary lunch and shirt will be provided. Exercise will be held outside. Please dress accordingly.
